## ***Dues Information***

Quarterly dues are set by the Property Manager and the Board of Directors of the Asthon Cove Homeowners Association. Changes in the dues are voted on by the

residents at the annual meeting. The amount of the dues is based on a budget submitted annually by the treasurer of the HOA, divided equally amongst the property owners. The bills are sent out by the management company quarterly.

The basis for the dues figure comes from expensed incurred and anticipated to keep Ashton Cove functional, safe and attractive. Line items in the budget are common electricity, pool maintenance, landscaping, common areas, water (for the pool and irrigation), tennis court upkeep, road repair, painting signs, fences, and maintenance of the security gate. In addition, there are administrative costs attached to having a management company as well as a lawyer.

Dues are considered delinquent after 30 days from the due date on the bill. The property manager then sends out a letter to the property owner calling to his/her attention that the dues are delinquent. If a payment is not received promptly, an attempt will be made to work out a payment schedule geared to the particular circumstances. If no cooperation or payment is received, a lawyer will be called to begin proceedings to place a lien on the property. The property involved cannot be sold until this unpaid bill is satisfied.

## ***Neighborly Tips***

- 1) Trash Service is arranged individually with the disposal company of your choice. Some come once, others twice/week and the rates vary accordingly. There is no town collection. The Hilton Head Solid Waste and Recycling Center is located on 26 Dillon Road.
- 2) Pest Control is also arranged privately. Because we live in a semi-tropical climate, some regularly scheduled service is recommended. If you do not spray periodically in and outside of your home, you and your neighbors will suffer in terms of bugs and vermin.
- 3) Landscape Maintenance may be arranged, for a fee, through the service used by our property managers or handled privately. It is strongly recommended that your yard is taken care of every 2 weeks during the growing season. This not only makes for pleasant living, but also keeps up our property values.

4) The most common complaints in Ashton Cove are: loose dogs, dog waste, barking dogs, speeders, late night noise and litter.

**Special Note:**

The town and county have leash laws. Should an animal become a nuisance, or worse, a hazard, the animal authorities or the police can be called. In accordance with Ashton Cove's Rules and Regulations, owners of such dogs are subject to a fine.

The posted speed limit within Ashton Cove is 20 MPH along with the reminder that the speed limit is in accordance with South Carolina traffic code and speeders can be ticketed. In a community filled with children we must be cautious.

**Do Your part to be considerate of your Neighbors.**
