All of the real property hereinabove described shall hereinafter be referred to as "Existing Property." The Company intends to develop the Existing Property in accordance with its Master Plan dated Nov. 15, 1971. However, the Company reserves the right to review and modify the Master Plan from time to time based on its continuing research and design program.

Unless otherwise stated therein, the Master Plan shall not bind the Company, its successors and assigns to adhere to the Master Plan in the development of the land shown thereon. Subject to its right to modify the Master Plan as stated herein the Company will convey the common Properties shown on the Master Plan to the Association as provided in Article IV, Section 2. It also shall be understood that the Company shall be free to develop such portions or sections of the lands depicted in the Master Plan, as in the reasonable exercise of its discretion, it deems in the best interest of the entire development without regard to the relative location of such portions or sections within the overall plan, that it shall not be required to follow any predetermined sequence or order of improvements and development; and that it may bring within the plan of these covenants additional lands, and develop the same before completing the development of the existing property.

The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within the Existing Property, as herein provided.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. The Company and every person or entity who is a record owner of a fee simple or undivided fee simple interest in any Lot or Dwelling Unit which is subject by the Covenants to assessment by the Association shall be a member of the Association, provided that any such person or entity who holds such title or interest merely as a security for the performance of an obligation shall not be a member of the Association.

Section 2. Voting Rights. The Association shall have two (2) classes of voting membership.

CLASS "A". Class "A" Members shall be all those owners as defined in Section One (1) with the exception of the Company. Class "A" Members shall be entitled to one vote for each Lot and Dwelling Unit in which they hold the interest required for membership by Section One (1). When more than one person holds such interest or interests in any Lot or Dwelling Unit all such persons shall be members, and the vote for such lot or dwelling unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Lot or Dwelling Unit. A Member casting a vote representing a Dwelling Unit owned by such Member shall not be entitled to cast an additional vote for the Lot upon which said Dwelling Unit is situated. In the event a single Dwelling Unit is sold in fee with a Lot, the vote with respect thereto shall thereafter be cast on the basis of the Dwelling Unit only. When one or more co-owners sign a proxy or purports to vote for his or her co-owners, such vote shall be counted unless one or more of the other co-owners is present and objects to such vote, or if not present, submits a proxy or objects in a writing

delivered to the Secretary of the Association before the vote is counted. If co-owners disagree as to the vote, the vote shall be split equally among the co-owners.

CLASS "B". The Class "B" Member shall be the Company. The Class "B" Member shall be entitled to one vote plus one vote for each vote held by a Class "A" Member. One vote of the Class "A" Membership shall be equivalent to one vote of Class "B" Membership. The total vote of the Association shall consist of the sum of the votes of Class "A" Members and of the votes of Class "B" Members.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Member's Easements of Enjoyment. Subject to the provisions of these covenants and the rules and regulations of the Association, every Member shall have a right and easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall pass with the title of every Lot or Dwelling Unit.

Section 2. Title to Common Properties. The Company may retain the legal title to the Common Properties until such time as it has completed improvements thereon and until such time as, in the opinion of the Company, the Association is able to maintain the same, but notwithstanding any provision herein, the Company hereby covenants, for itself, its successors and assigns that it shall convey the Common Properties to the Association within one hundred and eighty (180) days of the time they are completed, but in no event shall such conveyance be later than May 15, 1973. Said Common Properties may be conveyed subject to all restrictive covenants of record.

Section 3. Extent of Member's Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Company and of the Association, in accordance with its By-Laws, to borrow money for the purpose of improving the Common Properties and in aid thereof to mortgage said properties.

(b) The right of the Association to take such steps as are reasonably necessary to protect the above described properties against foreclosures; and

(c) The right of the Association, as provided in its By-Laws, to suspend the enjoyment of rights of any member for any period during which any assessment remains unpaid, and for any period not to exceed thirty (30) days for any infraction of its published rules and regulations, it being understood that any suspension for either non-payment of any assessment or a breach of the rules and regulations of the Association shall not constitute a waiver or discharge of the Member's obligation to pay the assessment, and

(d) The right of the Association to charge reasonable admission and other fees for the use of the Common Properties and/or facilities therein; provided that property owners and their guests shall never be charged admission for the use of the bridge to the island or for access to the Common Forest as defined herein; and

(e) The right of the Company to dedicate or transfer to any public or private utility, utility easements on any part of the Common Properties.

(f) The right of the Association to give or sell all or any part of the Common Properties including leasehold interest to any public agency, authority, or utility or private concern for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such gift or sale or determination as to the purposes or as to the conditions thereof shall be effective unless such dedications, transfer and determination as to purpose and conditions shall be authorized by the vote of three-fourths (3/4) of the vote at a duly called meeting and unless written notice of the proposed agreement and action thereunder is sent to every Member at least thirty (30) days in advance of any action taken. A true copy of such resolution together with a certificate of the result of the vote taken thereon shall be made and acknowledged by the President or Vice-President and Secretary or Assistant Secretary of the Association and such certificate shall be annexed to any instrument of dedication or transfer affecting the Common Properties, prior to the recording thereof. Such certificate shall be conclusive evidence of authorization by the membership.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Company for each Lot and Dwelling Unit owned by it within The Properties hereby covenants and each Owner of any Lot or Dwelling Unit shall by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to all the terms and provisions of these covenants and to pay to the Association: (1) Annual Assessments or charges; (2) Special Assessments for the purposes set forth in Section 4 of this Article, such assessments to be fixed, established and collected from time to time as hereinafter provided. The Annual and Special Assessments together with such interest thereon and costs of collection therefor as hereinafter provided, shall be a charge and continuing lien on the land and all the improvements thereon against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. In the case of co-ownership of a Lot or Dwelling Unit, all of such co-owners of the Lot or Dwelling Unit shall be jointly and severally liable for the entire amount of the assessment.

* Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the improvement, maintenance, and operation of the bridge to Deer Island, Common Forest, roads and the Common Properties, including but not limited to, the payment of taxes and insurance thereon and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof.

The Special Assessments shall be used for the purposes set forth in Section 4 of this Article.

Section 3. Basis and Maximum of Annual Assessments. Until the year beginning January 1, 1972 the annual assessments shall not be more than two and 10/100 dollars (\$2.10) per month per Lot or Dwelling Unit unless a higher annual assessment is approved by three-fourths (3/4) of the vote at the annual meeting. The owner of one or more Dwelling Units who also owns the Lot upon which said one or more Dwelling Units are located shall pay one assessment for each Dwelling Unit but shall not be assessed for the Lot upon which the Dwelling Units are located. From and after January 1, 1972, the annual assessment may be increased each year by five percent (5%) of the maximum authorized assessment for the preceding year unless three-fourths (3/4) of the vote at the annual meeting votes against said increase or votes to increase said annual assessment by a greater amount or to decrease the annual assessment.

The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the annual assessment for any year at a lesser amount, but such action shall not constitute a Waiver by the Association of its right to revert to the full assessment for the remaining year or years of the then current period fixed as provided in the preceding paragraph.

Section 4. Special Assessments for Improvements and Additions. In addition to the annual assessments authorized by Section 3 hereof, the Association may levy special assessments, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto or addition to the Common Properties, provided that any such assessment shall have the assent of three-fourths (3/4) of the vote at a duly called meeting of Members, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments Upon Merger or Consolidation. The limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under Article 2, Section 2, hereof, and under the By-Laws of the Association.

Section 6. Quorum for any Action Authorized. The presence at the meeting of Members, or of proxies, entitled to cast sixty percent (60%) of the total vote of the membership shall constitute a quorum. If the required quorum is not forthcoming at a meeting, another meeting may be called subject to the notice requirement set forth in Section 4.

Section 7. Date of Commencement of Annual Assessments. Due Dates.

The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors of the Association to be the date of commencement.

The first annual assessments shall be made for the balance of the calendar year and shall become due and payable on the day fixed for commencement. The assessments for any year, after the first year, shall become due and payable the first day of January of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof, as the remaining number of months in that year bear to twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to the properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against such Lot or Dwelling Unit for each assessment period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

Written notice of the assessment shall thereupon be sent to every Owner subject thereto.

... The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-Payment of Assessment; The personal obligation of the Owner; The Lien Records of the Association. If the assessments are not paid on the date when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall (together with interest thereon at the rate of eight percent [8%] per annum from the due date and cost of collection as hereinafter provided) become a charge and continuing lien on the land and all improvements thereon, against which each such assessment is made. The personal obligation of the Owner at the time of the assessment to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass as a personal obligation to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the due date, the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the court together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 11. Exempt Property. The following property, individuals, partnerships or corporations, subject to this Declaration, shall be exempted from the assessment, charge and lien created herein:

(a) The grantee in conveyances made for the purpose of granting utility easements;

(b) All properties to the extent of any easement therein other than a utility easement dedicated and accepted by the local public authority and devoted to public use which does not adversely affect the owner's use of the property;

(c) All Common Properties as defined in Article I, Section 2, hereof;

(d) All properties exempted from taxation by the laws of the State of South Carolina, upon the terms and to the extent of such legal exemptions;

(e) Properties owned by the Company used for recreation facilities; home maintenance and service facilities; and meeting room and conference facilities. Only land within the Existing Property which has been subdivided into Lots, and the plats thereof filed for public record in the Beaufort County Court House shall constitute a Lot for purposes of these assessments. Projected locations for future platted lots shown on the Master Plan will not be subject to assessment.

(f) All properties owned by mortgagee as a result of foreclosure or a proceeding in lieu of foreclosure.

ARTICLE VI
