All paint is Glidden Professional Exterior Acrylic. Do not try to color match these to other brands or even different types of Glidden paint. It will not match exactly. The best option is for owners to purchase paint at the Glidden store located at 13 New Orleans Road, [\(843\) 785-4106](tel:8437854106). The contact there is David Harter [[daveh@hargray.com](mailto:daveh@hargray.com)] He has all of the records of the purchase and will make certain that the owner buys the proper product.
