This Access Easement includes a non-exclusive and partial assignment of any and all easement rights for access held by the Association, under the Covenants or any other declaration of covenants and restrictions, recorded easements or otherwise, over property that the Association does not own within the Development and upon which any part of the Drainage System lies or passes on, across, under or through.

(b) A non-exclusive Maintenance Easement on, under, over, through and across any property of the Development, encumbered by all or any part of the Drainage System. This Maintenance Easement shall include all facilities or structures directly related to the collection, storage

and conveyance of storm and surface water now or hereafter existing within the Development, and sufficient property beside or over any part of the Drainage System as shown on Exhibit "A" to allow for excavation and any other work necessary to improve, repair or maintain the Drainage System.

(c) A non-exclusive Drainage Easement for the conveyance of any storm and surface water originating from within or without the boundaries of the Development through the Drainage System, at such rates and in such amounts as may occur from time to time.

(d) This Drainage Easement includes a non-exclusive and partial assignment of any and all easement rights for drainage held by the Association under the Covenants or any other recorded declaration of covenants and restrictions, recorded easements or otherwise, over property that the Association does not own within the Development and upon which any part of the Drainage System lies or passes on, across, under or through; provided however, that the Town shall provide timely written notification to the Association of any potentially disruptive improvements and/or modifications to the systems conveying storm and surface water originating without the boundaries of the Development and through the Development Drainage System.

3. This Access, Drainage and Maintenance Easement is granted and accepted subject to the following:

(a) The Town agrees that the use of the easements granted herein shall be restricted to the hours of 7:00 o'clock, A.M., to 5:00 o'clock, P.M.,

Monday through Friday excluding public holidays, except in the event of an Emergency.

(b) Other than in the case of an Emergency, the Town and the Association shall determine the scheduling of any work to be performed hereunder, on its or their property, in advance of the commencement of the work.

(c) This Access, Drainage and Maintenance Easement is conveyed subject to all other easements, licenses, and conveyances of record and is subject to the rights herein reserved by the Association, their successors and assigns, to utilize their property at any time, in any manner, and for any purpose, provided, however, that such use by the Association shall not be inconsistent with nor prevent the full utilization by the Town of the rights and privileges granted herein.

(d) The Town agrees to plan, lay out, and execute or build improvements, make repairs, and otherwise maintain the Drainage System, and further agrees that the Town's exercise of the rights granted in this Access, Drainage and Maintenance Easement shall be under the exclusive control of the Town and that the Town shall at all times comply with all applicable laws, rules, codes, and regulations.

(e) The Association shall not erect any Permanent Structure on, under, over, through and across any property of the Development encumbered by all or any part of the Drainage System without the Town's prior written approval, which approval shall not be unreasonably withheld. The

Association shall not impede, obstruct, or allow to be obstructed, the natural flow of storm and surface water runoff through the Drainage System; provided, however, that the Association shall have a continuing obligation under the Covenants to repair and maintain various improvements located within the Common Properties (lagoons and lagoon banks, roads, pathways, utilities, etc.), and this Agreement is not intended to in any way restrict or limit the Association from taking reasonable actions to perform said obligations.

(f) The rights conveyed under this Access, Drainage and Maintenance Easement are limited to the parties and purposes stated herein. This Access, Drainage and Maintenance Easement conveys no rights of access or otherwise to the general public.

4. The Association acknowledges that the Town shall have no obligation to perform or pay for any work to repair, improve or maintain the appearance or appeal of the lagoons, banks of lagoons, landscaping, drains, canals, or other visible components of the Drainage System, including, but not limited to, structures, bridges, bulkheads, pipes, culverts, valves, and gates.

5. The Town agrees to cause all work contemplated hereunder to be performed in a workmanlike fashion with minimal interference to the Grantor, its successors, assigns, invitees, guests, licensees, and agents. The Town further agrees to cause the work contemplated hereunder to be completed in an expeditious and timely fashion, and that all materials, debris, and construction materials shall be promptly removed. The Town shall restore any other part of the property of the Association which may be damaged as a

result of the Town's exercise of the rights granted hereunder to its pre-existing state.

6. The Town hereby warrants to the Association that the granting of this Access, Drainage and Maintenance Easement will not affect any "set back" lines with respect to any property currently owned by the Association.

To have and to hold, all and singular, the rights, privileges, and easements aforesaid unto the Town of Hilton Head Island, South Carolina, its successors and assigns, forever.

In Witness whereof, the parties hereto have caused the within Access, Drainage and Maintenance Easement to be executed by their duly authorized officers as of this 12th day of November , 2024.
